

# What is CareerReady Colorado Certification?

Based on nationally recognized credentialing standards, the CareerReady Colorado Certificate verifies workplace skills in three business critical areas:

- Reading for Information
- Locating Information
- Applied Mathematics

The certificate is awarded after an individual completes a skills assessment using the respected WorkKeys™ system from ACT®, the college testing company.

Individuals are certified on one of three skill levels, based upon their performance:

- **Bronze** indicates skills for approximately 35% of jobs.
- **Silver** indicates skills for approximately 65% of jobs.
- **Gold** indicates skills for approximately 90% of jobs.

**CareerReady Colorado Certification** is helpful to both employers and career seekers as it provides proof of a recipient's skills. It enables businesses to easily identify pre-qualified job candidates with the desired skill-set, while giving recipients an edge in finding a better job by proving their abilities.
